Our Mission Statement

To know Jesus Christ as Lord and make Him known.

Our Vision Statement

We are committed to reaching out to the local community and supporting world-wide ministries, as we embrace and nurture current and new brothers and sisters with our Savior's own forgiveness and love.

Statement of Faith

Cross of Christ is a congregation of the Lutheran Church Missouri Synod. We accept and teach the inspired word of God from the Bible.

IN CONTEMPLATION OF LENT

If you were asked by a time-traveler or space-traveler about this coming season of the Church Year, what would you say? Or to put it another way, how can we as Christians approach Lent in a Biblical and hallowed manner? Certainly, a godly answer begins and ends with the cross. Yes, that cross of Jesus speaks of Jerusalem and Golgotha, of ugly mobs and fleeing disciples, of betrayal and denial, of envy and hatred, of submission and obedience. The Christ that we worship hanging on the Calvary cross was caught up in all these circumstances, which came together to place Him on that instrument of death.

What's incredible is that this same cross speaks even more strongly of our Savior's love: love that suffered and endured, love that died and triumphed, love that forgave and promised redemption! Indeed, His cross still stands... its shadow stretches out across the world and across time. Accordingly, the Lenten Season comes again, beginning this Wednesday, as Christians around the globe receive ashes as a reminder of our common humanity. This time offers us once more the opportunity to fortify our souls and to find renewed strength for our spirits through the power and love of our Savior's cross.

This season is also a wonderful occasion for each of us to discover the hidden treasure of silence. Everyone – if we will only do it – can use the next six weeks to take time out from our busy schedules on a deliberate and daily basis for quiet and private contemplation of such a love that moved our Heavenly Father to give up "His only begotten Son." Through such personal meditation and our Lenten devotional readings, we can gather at the foot of the cross for the "one thing needful" which Jesus mentioned to Martha.

Finally, Lent gives us a chance to develop a deeper appreciation for God's daily blessings and the ministry opportunities around us. Will regular and consistent worship and Bible study be the mark of these next six weeks? Will our filling of our Lenten coin folders be a daily reminder of all the good things which our Lord showers upon us? Do not we who have found hope and life in the shadow of the cross have an obligation toward those who do not know Christ's redeeming love and stand in the shadow of death? So, whom do you know that you can bring with you on Sunday mornings or Wednesday evenings?

Now may the Holy Spirit enable us to consecrate our lives anew to our Lord and to His Church. Remember this: we worship not a Savior who dies and remains entombed in the past, but One who is alive and leads us even now into all eternity!

~Pastor Hildebrandt

STEWARDSHIP CORNER

GIVE A LASTING GIFT

The Lord has truly blessed us beyond comprehension. Continuing the mission of our Christian Faith by our weekly contributions to Cross of Christ Lutheran Church definitely assists us with our responsibility to go out into all the world and share that eternal life gospel! We want to be sure our Church's presence in Chattanooga will continue to fund missions at home and abroad. There are several ways to ensure this can happen.

Cross of Christ has a special account that is used to support the day to day operations of the church which is provided by members who want to save on their state and federal taxes by making a gift of appreciated securities directly to the church. This account is referred to as the LPL account. Members will receive an immediate income tax deduction for the value of the security on the date of transfer, no matter what was originally paid for them with the benefit of PAYING NO CAPITAL GAINS TAX. Appreciated securities would include stocks, bonds, or mutual fund shares that you have owned for more than one year.

In our retirement years we begin thinking about those Individual Retirement Accounts (IRA's) that many folks have set up years ago for our "golden years"! Before you make arrangements for IRA withdrawals, discover how you and Cross of Christ can benefit from the IRA CHARITABLE ROLLOVER. This way of support to the church is an easy and convenient way to make a gift from one of your major assets. It is excluded from your gross income, as a tax-free rollover and counts toward your required minimum distribution. The requirements are that you are at least 70 1/2 years old at the time of the gift and the transfer must go directly from your IRA to Cross of Christ.

The easiest and simple way to carry on the church's mission and ministry is to consider the church in your Will. By remembering Cross of Christ in your will or the other mentioned estate plans above, you could receive important tax benefits while supporting the work of the church and leaving a legacy of providing the gospel message to future generations, through our local and foreign missions.

Please consult with a tax professional or broker on these suggestions or call the church office and we will arrange for additional professional assistance.

BY HIS WOUNDS WE ARE HEALED

...is the theme for this year's Lenten series. The innocent Son of God had no sins of His own for which He deserved to die, yet His enemies falsely accused Him of violating every commandment of God. In each service in this series we will see that it was our sin, our disobedience, that Jesus bore in His body on the cross. The Lord laid on Him "the iniquity of us all." Jesus suffered the penalty of death in our place, and "by His wounds we are healed."

OUR LENTEN FOCUS

Lent, the church-year season that begins on Ash Wednesday, is a time of penitence and spiritual renewal. Some people give up a luxury or vice during Lent as a form of self-denial; others undertake a project that benefits others.

The point isn't to denigrate ourselves or to see how much we can do without. Instead, Lent helps us reflect on Jesus' death. As Timothy Keller writes in *The Reason for God*: "The Christian Gospel is that I am so flawed that Jesus had to die for me, yet I am so loved and valued that Jesus was glad to die for me. This leads to deep humility and deep confidence at the same time. It undermines both swaggering and sniveling. I cannot feel superior to anyone, and yet I have nothing to prove to anyone. I do not think more of myself nor less of myself. Instead, I think of myself less."

Snack Packs for Rivermont Elementary

“Lent isn’t ultimately about giving things up. Its purpose is not self-improvement in the conventional sense. Instead Lent is a season of preparation. We are preparing to celebrate Easter, and the Church is always prepared in the same way: by repentance. True repentance means turning away from sin in sorrow and also turning toward God in joy. That is to say, that true repentance is faith. It expects forgiveness. It trusts in Christ to give it.” –Rev. David Peterson

Scripture Resources in Thousands of Languages

*(The following is an insert from the latest newsletter we received from The Shaneyfelts. This missionary family works with Wycliffe Bible Translators and Lutheran Bible Translators to speed Bible translations for the "Bible poor" of the world today! When they are in the States, they have stopped at Cross of Christ and spoken about their unique ministry. More detailed info. is available in their newsletter located on the hallway bulletin board.)*

ScriptureEarth.org is a comprehensive index of Bible and Scriptures resources for the world's languages. It lists the individual language and guides you to where you can find online Bibles in written and audio form, the Jesus film, and other audio/visual resources, which can be downloaded to a computer or an app that can be put on a mobile device. A quick example... you have a friend from Liberia that wants access to Scripture:

1. Go to the ScriptureEarth.org website
2. Click on the box that says "Country" and start typing the "Li" in Liberia
3. Click on "Liberia" among all the countries (Typing just the first two letters of the country is a very useful feature for other countries that are more difficult to spell.)
4. Click on a "Language Name", like "Klao" and then select the desired Scripture resource.

*Now, when you meet a person who is from another part of the world, you can share this info. with them! In this way, you will be a true blessing, and even change a life.*

**The Lutheran Witness:** *“Interpreting the Contemporary World from a Lutheran Christian Perspective”*

**Background**

The *Lutheran Witness* is the official publication of the Lutheran Church –Missouri Synod. In print for nearly 140 years, this continued periodical is one of the longest running Christian print magazines in American history. The legacy began on September 7, 1844 with the Synod’s first President, C.F.W. Walther and his publication under the name *Der Lutheraner (The Lutheran)*. In his first newsletter, he talked about his goal and mission, which was to help LCMS Lutherans believe, live and die as Lutherans. This message was carried throughout all of his writings as he taught on the doctrines of the church and against false teaching and errors. The hope with *Der Lutheraner* was to explain Lutheran theology to the German American immigrants in the United States. The paper succeeded beyond their wildest dreams. *Der Lutheraner* would help scattered Lutherans organize a new fellowship — a synod — of confessional churches— now known as the Lutheran Church–Missouri Synod. *Der Lutheraner* continued being published in German until 1972! In 1882, the Evangelical Lutheran Synod picked up publishing the *Lutheran Witness*, and when they became part of the LCMS, our Synod carried on its publication in 1911.

**The New Managing Editor**

Rev. Roy Askins began his new position as Managing Editor for *The Lutheran Witness* on January 1<sup>st</sup>. His background consists of serving in Asia through the Office of International Ministry as the managing Communications Director. His vision as Editor is to continue Walther’s goal of helping people understand what they believe and why they believe it, and to point out false doctrines we need to be aware of. In Askins’ words: *“The whole point is to point people to Jesus Christ and Him crucified for their sins. We might have great articles, but if they don’t teach people to cling more tightly to Jesus Christ, we’ve failed. That’s the whole point.”* Rev. Askins encourages subscribers to contact him directly with questions and to share what you like about *The Lutheran Witness* and how it could be made better for you. His email: [lutheran.witness@lcms.org](mailto:lutheran.witness@lcms.org)

Available in both print and digital format, subscribers to the Lutheran Witness receive 11 issues a month, one being a combined June/July issue. Visit [CPH.org/witness](http://CPH.org/witness) for subscription information or contact the church office. [Info from: *The Coffee Hour*; Robert E. Smith; [cph.org/witness](http://cph.org/witness)]
